Defibrillator / Hjärtestarter

There is a defibrillator available. Look for “Hjärtestarter” (swedish word for defibrillator). It hangs on a lamppost, to the left of the mailboxes, between houses 143 and 145.

For more information about defibrillator, please look at: Hjärtstartare - mer info

To see the location on an area map. please look at: Fjällbacka Områdeskarta

Emergency, phone numbers:

112 - For urgent emergency, ambulance, police or fire department.

1177 - For non-urgent emergency, health and medical advice.

114 114 - For non-urgent emergency, to get in touch with the police or report a violation.

Mailbox

There is a mailbox for each property at four mailbox stands within the community association located at the following locations:

1. Outside Norra Backa no 127
2. Outside Norra Backa no 137
3. Outside Norra Backa no 145
4. Below Norra Backa no 157 – at the meeting place.

Damaged mailboxes must be replaced by the individual property owner.

It is recommended not to hang anything on the mailbox stands.

The ditches

We would like each property owner to clean and ensure that the ditches around their own property are in good working order. Common ditches are maintained by the Community.

Neighbour cooperation

Backa-Öst has initiated neighbour cooperation. Contact representative for our area is Kent Edvardsson, house number 186.

Internett/Broadband connection

We have access to fiber network, with broadband, IP-TV and telephony. Contact Kville Fiberförening.

For more information, please look at: Kville Fiber.

Garbage and garden waste

The garbage is taken care by Rambo. Your rubbish bin must be placed beside the road, easy available from the garbage truck.

For more information, please look at Rambo.se.

Paper, glass and metal waste can be delivered to garbage recycle bins in Fjällbacka, in the parking lot at the unmanned pumping station Din-X, at the entrance to Norra Backa.

Garden waste should not be thrown away on the community association's common area, but transported to a recycling center.
