Welcome to Backa-Öst community association!

Backa-Öst community association is a holiday home area/housing-association located 3 km east of Fjällbacka city. The area was established in the 90s, and has since been continuously developed, much thanks to a great commitment from the area's residents through our community association.

Do you want to know more about us?

More information is available via the links at the top of each page. For each page, there is a link to English version, except for «protokoll/infobrev» witch contain several years of meetings and information letters in Swedich or Norwegian.
